FORWARD

The Atoka County Free Fair is for the benefit of all the citizens of the county.

A county fair is one of the greatest educational institutions today. Fairs stimulate interest in the improvement of livestock, crops and improved home practices.

Whether you win prizes at the fair is not the important thing. By comparing your work with that of your neighbors and those in other parts of the county, you can get ideas that will be of help to you down through the years. We particularly urge you to encourage the boys and girls in the fair, for they are the future.

Amount of fruit and vegetables in this exhibit should be such that they can be arranged in a neat and orderly manner and have good eye appeal. There must be enough of each fruit or vegetable for the judge to determine quality. All fruits and vegetables must be grown by the exhibitor. No specimens in this exhibit may be entered in another class. Any combination of fruits and vegetables may be used. Those not listed in the catalog may also be included.

The exhibit must be in a container such as a basket or a box. It may be covered with a clear plastic cover, but judges must be able to examine the produce to determine quality.

One-third (1/3) of the judging will be on how well the exhibit is prepared and presented. Packing such as paper, straw or cloth may be used, but the fruits and vegetables should be the main attraction of the exhibit.

County winners (excluding bread machine class) will receive awards from the Oklahoma Wheat Commission. Premiums will be provided only if the individual county does so.

Each entry must be prepared and baked by the person whose name is on the entry form.

The same person may not win Champion, Reserve Champion or Bread Machine Class. Two separate people should win, unless entries do not offer that selection. (Duplicate recipes may not be entered by different family members in any class or division.)

Recipe must accompany entry at county and state level. Entries that are eligible to compete at state level will provide 2 copies of the recipe – one at county fair (which will be mailed to Commission office by County Extension Educator) and bring one with entry at state competition.

Whole Wheat Bread Class #2 – This category will include only the use of whole wheat flour and/or a whole white wheat flour. No All-purpose or Bread flour included in this category. Dough enhancers, vital wheat gluten and whole grains, in addition to whole wheat, are permissible.

Dinner rolls should consist of three (3) rolls per entry. Any shape acceptable.

Specialty Shapes Class #11 – Let your imagination go: animals, people, objects, etc. All garnishes must be edible.

The OTHER WHEAT BREADS, class #’s 4 and 9 will include other breads made with yeast such as cheese, French, onion, sourdough, challah, etc. NO QUICK BREADS unless yeast is used as a leavening agent. (All breads must use yeast as a leavening agent.)

“Best of Wheat”, formerly Wheathearts, sponsored Bread Baking Contest is to be judged separately from the county fair open class division.

County Champion and Reserve Champion from each division are eligible for state competition (see exception below) at the State Fair of Oklahoma in Oklahoma City on September 23, 2018. Individuals are responsible for taking bread to Oklahoma City. Extension personnel WILL NOT take bread to the state fair.

One (1) Bread Machine entry from each division, class #’s 6 and 12, determined by county judge, will be eligible for competition at state level. Bread machine entries will not be eligible for County Champion or Reserve Champion at county level or eligible for Grand Champion at State level.

*The 2018 Oklahoma State Fair catalog contains the final written rules governing this contest. If questions arise, check the catalog, or call (405) 608-4350.
