The impact of the **Beaver County Food Show, Share-the-Fun, Dress Revue, Impressive Dress, and Pumpkin Decorating Contests** was immediate within the Beaver County 4-H Clubs. The Beaver County Extension office put on the county 4-H contests at the Beaver County Fairgrounds and Balko Schools. Sixty-six contestants participated in the contests, with another 52 family and friends observing.

The impact of the Ag in the Classroom at Beaver Primary Schools was very receptive with the first through third graders. There were 82 youth that participated in making bread in a bag, butter, and learning about wheat and milk products.

Two hundred county residents had face to face contact with the **Beaver County Extension personnel**. These residents had the opportunity to see first hand a few of the projects the 4-Her's are doing and learning about agriculture.

**PARTICIPANT RESULTS:**

- 66 youth entered the county contests.
- 82 youth participated in Ag in the Classroom.
- 200 youth and adults benefited from their experience at the Beaver County 4-H Contests and Ag in the Classroom.
