

Oklahoma Aqua Times

Oklahoma Aqua Times is a water quality enrichment program that looks at the complexities of preserving one of our most precious resources - water. The self-contained curriculum suggests ways to manage our water supply and solicits each person's commitment to preserve and conserve this natural resource.

1. **FIVE STUDENT LESSONS** - in newspaper format, includes puzzles, activities and stories.
2. **FIVE SEGMENT VIDEO TAPE**
3. **ORDERING** - Each student receives the newspapers to keep. Video tapes are loaned for one full week.
