NOVEMBER 2009

Eldonna Magnus – President & Newsletter Coordinator 762-4781
Judy Peters – Secretary and Treasurer 765-7686

FROM THE PRESIDENT'S DESK

I would like to thank all the providers who attended the October association meeting. We had a great time and enjoyed the newly remodeled Mazzio's Italian Eatery.

Elections were held and the 2008-2009 officers received Appreciation Awards for their service for the past year. The association appreciates the time, talent and attention to detail that they have given us this last year. Judy Peters did not run again, but she did volunteer to continue for a few months. Eldonna Magnus was elected President. I am honored to serve and I appreciate your support. If there is anything I can do, please let me know. Please share ideas or recipes etc. with us.

We will be sponsoring training for November concerning the H1N1 Influenza. Coordinating Nurse for our Kay Co. Health Dept, Sharon Bass will teach this class for us. We really appreciate Sharon Bass taking the time to help educate providers on this subject.

I have listed several web sites that you can print out. I hope that you will find some of them helpful.

Thank you again for your support. Eldonna

Thank You for 5 yrs. Judy!

A big Thank You to Judy Peters for serving as an officer for the Kay Co. Child Care Home Association!

Judy was elected Treasurer in October 2004

Treasurer in October 2005

Treasurer in October 2006

Secretary & Treasurer in October 2007

Secretary & Treasurer in October 2008

Judy,

It was wonderful working with you for the last five years. You always have a kind word and a smile. Thank you so very much. Eldonna

November 2009 Association Training & Meeting

Date: **TUESDAY November 17, 2009**

Location: Ponca City Library

Programming Room downstairs

Time: 6:30 to 7:30 Training and then a short meeting

Subject: Sharon Bass will train providers on the essentials of dealing with seasonal flu and H1N1 Flu. This training will result in a one hour Tier I training certificate for providers.

Membership cards will be given out & you may join or renew your membership at that time. If you cannot attend, you may renew or join the association by contacting Eldonna Magnus.

CDC Material

Teacher's Guide: Germs (Pre-K to Grade 2)

Viruses, and fungi and bacteria! Oh my!

Germs are tiny living organisms that can make us sick if we don't know how to protect ourselves from them. The discussion questions and activities in this Teacher's Guide will help your students understand what these tiny creatures are and how to avoid them.
