1. The PowerPoint presentation contest is for 4-H members to demonstrate the skills necessary to develop and present a PowerPoint presentation in a professional manner.

4-H members who participate in this contest should develop and demonstrate public speaking skills using a PowerPoint presentation as an illustration to add emphasis to their presentation. The PowerPoint program is not meant to be the members’ public speaking presentation; it is designed to add dimension and illustration to the members’ public speaking presentation. 4-H members are expected to design and create their own PowerPoint presentation.

2. Presentation using PowerPoint as a medium for illustration can only be presented in the PowerPoint Division.

3. Results will be announced and awards presented at the conclusion of each division. Ribbons will be given to the participants at that time. The top two individuals per division: age, presentation type, subject matter category, will be awarded Grand and Reserve Grand awards.

4. Recommended PowerPoint Presentation Length:
   - Juniors: 3-10 minutes
   - Intermediates: 5-12 minutes
   - Seniors: 5-12 minutes
   (Time limits are not required. However, presentations too long or too short can be a factor in placing.)

5. A laptop computer and LCD projector will be provided. However, participants may bring their own equipment. A disk containing their presentation must be included with their pre-registration form. Participants must also bring a second copy of their PowerPoint presentation with them to the contest.
