Dear Friends:

Welcome to your 73rd annual Arkansas-Oklahoma State Fair. The Arkansas-Oklahoma State Fair is one of many events sponsored each year by the Arkansas-Oklahoma Regional Education and Promotion Association. The fair has always been a way of furthering agricultural education for our area youth. The fair is a place of learning, protecting tradition, competitiveness and fun.

We are very proud of the community involvement and the hundreds of volunteers that each year makes this such a successful event. The strongest motivation for many of the volunteers is the fact that the Arkansas-Oklahoma State Fair has such a positive impact on several thousand youth of western Arkansas and eastern Oklahoma.

Many of the young people spent months preparing for this event. They learn that hard work ‘to make the best better’ and competitiveness leads to success. They also earn prizes and premiums money.

Many thanks to our advertisers, sponsors and media for your continuing support.

On behalf of our board of trustees and all of our volunteers, I welcome you to your 73rd annual Arkansas-Oklahoma State Fair. With a lot of hard work, cooperative and continuing effort, this fair will be the best in a long history of great fairs.

Come enjoy the tradition, the competition, the good eats, the entertainment and the fun at your 2009 Arkansas-Oklahoma State Fair.

Sincerely,

ARKANSAS OKLAHOMA REGIONAL EDUCATION AND PROMOTION ASSOCIATION, INC.

IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND
GENERAL RULES

EXPOSITIONS) SHOW RING CODE OF ETHICS

RULE 12-b. Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics deme the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.

2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.

3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.

4. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable Federal, State, and Provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with Federal, State, and Provincial statutes, regulations, and rules affect the animal’s performance or appearance at the event.

If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counter irritant, or similar substance) which could affect the animal’s performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with the highest standards of courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal’s condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show for violation of this code of show ring ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

EXHIBITION HERDS AND NEW BREED SECTION

RULE 13. The requirement for starting a new Official Breed Show is a minimum of twenty-five head of acceptable quality on exhibit by at least three exhibitors for two consecutive years as an exhibition herd, after which, they would then be eligible for an Official Breed Show and premium money would be provided. The management must be petitioned following the second year of exhibition and furnished a list of exhibitors and cattle to establish eligibility for an Official Breed Show the following year. Minimum of 3 exhibitors must exhibit a minimum of 20 animals to maintain breed show. Stall fees for exhibition herds are the same as for other cattle in the Open Department. This rule does not apply to the Junior Department. A minimum of ten head which satisfy all of the same requirements will establish eligibility for the Sheep Division.

JUDGES’ RULES

RULE 14. Interference with Judges: Any attempt by an exhibitor either personally or through an agent, to corrupt the judges or exert undue influence will subject the offender to expulsion from the grounds, and he will thereafter be prohibited from exhibition or other privileges until restored by order of the Manager.

RULE 15. Method of Awarding: No animal shall be awarded a prize unless exhibited before the judge in the show ring at the time specified. Exhibitors should ascertain from the various Superintendents of Departments at what time the exhibits under their charge will be judged. Decisions of the judge will be final.

PROTEST AND APPEAL

RULE 16. All protests from a decision of a judge must be made to the Manager of the Fair within five hours after the award is made; it being considered an award is made when the notification of the decision of the judge is entered in the Department Entry Book.

RULE 17. In every case of protest, whether against the exhibition of the animal or against an award, the protesting party must deposit with the Manager the sum of $195.00. Should the protest be sustained, the deposit will be returned to the protesting party; otherwise, it will be forfeited.

RULE 18. In addition to the right to protest herein granted to the exhibitor, the Arkansas-Oklahoma State Fair reserves the right to take cognizance of fraud consummated or attempted in connection with an exhibit and take such action as may be deemed just and proper, and as may be warranted in these premises.

Working to Improve the Rural and Urban Economy of Western Arkansas and Eastern Oklahoma
The aim of 4-H club work is to teach boys and girls, through practical project training, how to become more useful and progressive citizens. Their program is well balanced, since the 4-H Emblem itself means equal training of the head, heart, hands, and health. The 4-H program is so organized and conducted so that it stresses loyalty, fellowship, and brotherhood. The development of leadership is one of the chief aims of 4-H club work.

“4-H Can Make a Difference”
Wednesday, September 30th is Food Day at the Arkansas-Oklahoma State Fair. All who enter Kay Rodgers Park prior to 4 p.m. are asked to bring one canned food item or to contribute $1.00. All food items and collected funds will be given to the Community Services Clearinghouse. The money is used to purchase non-perishable food items for the Back-Pack Program providing weekend meal support to underprivileged children. This voluntary program is an excellent opportunity for 4-H clubs to participate in a worthy community service activity.

In 1974, the Arkansas-Oklahoma Livestock Show constructed a milking barn. The Arkansas Division, Associated Milk Producers contributed the milking equipment, including the refrigeration units. Two cows can be milked simultaneously. The milk travels in clear pipe from the milking room to tanks inside the refrigeration room.

The milking process, however common to the Dairy Farmers, is unique to the general public, and you are invited to watch the procedure through the windows on the building’s west side. Please refer to the map on the last page of catalog for the Milking Barn’s location.

The Milking Barn is Sponsored by the Southwest Dairy Farmers of Sulpher Springs, TX

Any animal not having a legible tattoo is ineligible to compete and will be barred from showing. Exhibitors must have the original registration certificate on each animal available for inspection at the show.

The exhibitor is responsible for furnishing the Superintendent the names of animals shown in groups, and herds, and championships.

All animals must be from a registered sire and dam. All animals must be registered in the herd book of the American Angus Association. The registration certificate issue date must be prior to the show date.

The skin color of all animals must be BLACK, except those animals having birth marks or white hairs on black skin. Animals red in color, or with white skin above the underline, in front of the navel or on a leg or foot, are not eligible to show. All animals must be polled (free of horns or scurs). Scurs are defined as any portion of horny tissue attached to the skin of the hornset of a polled animal. The County Extension Agent or Vocational Agriculture Instructor must sign and forward these nominations to the entry chairman, Arkansas-Oklahoma State Fair, P.O. Exhibitors can then enter only 2 animals for the Market Steer Show. These entries must be made in accordance with the general Junior Beef entry guidelines, and must be in the office of the Arkansas-Oklahoma State Fair, P.O. Box 4145, Fort Smith, AR 72914, no later than August 15, or be postmarked by that date, and must be accompanied by the $10.00 entry fee for the animal.

You can bring tack on Thursday, September 24, from 5:00 to 8:00 P.M. PLEASE CHECK FOR STALL ASSIGNMENT BEFORE PLACING TACK.

In an effort to upgrade the quality standards of our Market Steer Show and carcass contest, as well as the quality of steers offered to our Premium Sale buyers, the class breakdowns and selection procedure will differ from traditional method. Steers will be placed in groups with no regard to breed. Classes will be made up of steers of uniform heights. As selections are made at the class level, certain steers will move up to division level, then division winners will compete for grand champion and reserve grand champion of the show.

We realize this innovative method may be confusing for exhibitors and spectators. The Arkansas-Oklahoma State Fair will issue a memo of specific classification and selection procedures to exhibitors upon check-in.

CLASSIFICATION

Market steer classification will be Saturday, September 26 from 9 A.M. to 12:00 P.M. EXHIBITOR MUST BRING EXHIBITOR CARD. During classification ONLY the exhibitor will be allowed in the classification area. Every effort will be made to ensure proper measurement and no animal will be re-measured.

Steers for competition must weigh at least 900 pounds. THERE IS NO MAXIMUM WEIGHT LIMIT. Steers will be officially weighed in by fair officials during the classification process.

STEERS MUST STILL HAVE ALL OF THEIR BABY TEETH. NO BROKEN MOUTHS WILL BE ALLOWED. NO EXCEPTIONS.

After each class of steers are placed, only the steers moving to the next round will be weighed on the official scales in the show ring by show officials. Each steer must be within 4% above or below the declared show weight as previously designated by the exhibitor on the weight card. If any steer is out of its weight range it is disqualified and the remaining steers move up in placing. The disqualified steer is not eligible for any other class and will not be reweighed. The official scales will be available prior to the show for use by the exhibitors to maintain this weight.

All 1st and 2nd place steers will be tagged and reweighed. All other steers that are selected by the judge to be eligible for sale selection will be tagged and reweighed.

All 1st and 2nd place steers will show for Champion and Reserve
Champion. After the Champion and Reserve Champion are selected, all remaining 1st and 2nd place steers are eligible for sale selection or may decline and go on to other shows at this time.

ALL STEERS WILL BE SUBJECT TO OFFICIAL VETERINARIAN INSPECTION PRIOR TO ENTERING CLASSES OR PRIOR TO LEAVING RING AFTER CLASS HAS BEEN PLACED.

The giving of an oral injected diuretic, or a growth stimulant not approved for market steers constitutes unethical fitting. The Arkansas-Oklahoma State Fair reserves the right to collect urine or blood samples from any steer for laboratory analysis. An exhibitor of a steer producing a sample having a quantity of diuretic or unapproved medication of any kind will forfeit all rights and privileges to exhibit livestock in the future at the Arkansas-Oklahoma State Fair.

ARTIFICIAL PRACTICES

NO CUSTOM NOR PROFESSIONAL GROOMERS.

The management has the right to disqualify any animal, the appearance of which has been materially changed or altered by any process. This includes attempts to disrupt or change normal dental development as well as the dyeing or coloring of individuals which alters their natural coloration.

Any entry adding an artificial tail head or tail fin, artificial poll, or adding any hair or hair-like substance will be disqualified.

Any pre-show injection of any compound that may cause a quantitative or qualitative change in the characteristics of the animal on foot or in carcass may also cause disqualification and no premium will be paid. In the market animal auctions, all sale money will be withheld if, after slaughter, the animal is found to have been tampered with or altered, or if the carcass is condemned.

No bulls, stags or horned steers may be exhibited in this department.

All steers selected for the sale of the Junior Auction will be automatically entered in the Carcass Contest.

All steers must have a legible, differentiating tattoo. That tattoo must be verified by the County Agent or Vocational Agriculture Instructor. The tattoo will be checked at classification which will be at 9:00 A.M., Saturday, September 26. EAR TAGS ONLY ARE NOT ACCEPTABLE!! ANIMALS WITH EAR TAGS MUST ALSO HAVE LEGIBLE TATTOO.

NO FRESH TATTOO ALLOWED!!! MUST BE TATTOOED BY JUNE 30th.

COUNTY AGENTS OR VOCATIONAL AGRICULTURE INSTRUCTOR MUST INSPECT TATTOO BEFORE YOU SIGN NOMINATION FORM.

FAILURE TO COMPLY WITH THE TATTOO RULE WILL RESULT IN DISQUALIFICATION.

For sale signs may be placed on coops only after judging is completed.

8. The American Standard of Perfection as adopted by the American Poultry Association shall be the guide of the Judge in awarding premiums to be judged by comparison.

They will also receive a colored Parking Pass that will allow them to park in the parking lot designated on the pass. The exhibitor cards, and parking passes will be issued by the Superintendents upon check in.

Due to the lack of space, and the time that you arrive, a parking pass will not guarantee you a parking place in the parking lot that your pass is for. Overflow parking will be available at the Sky View Parking Lot.

People who pay for a Camper Hook up will be issued a parking pass for their tow vehicle.

Traffic flow through the Fairgrounds must be possible at all times for emergency vehicles. Any vehicle which blocks other vehicles in or is parked in a marked tow away zone, or is blocking a street will be towed immediately, at the owner’s expense, and their parking pass confiscated for the duration of the Fair.

There will be no vehicular deliveries to any concession after 10:00 AM either Saturday and 2:00 PM the rest of the Fair Days. Any and all deliveries must be scheduled to be completed before this time. After that time there can be NO vehicle movements in the “Public Traffic” areas.

JR. LIVESTOCK EXHIBITORS will be allowed to enter the Fairgrounds to unload their livestock and equipment, then they must exit immediately after unloading and park their trailers at the Sky View Parking Lot. Vehicles will not be allowed back on the Fairgrounds until SATURDAY morning to bring in feed and needed supplies, and they must be off the Fairgrounds by 10:00 AM. Any vehicle on the Fairgrounds after 10:00 AM without the proper parking pass on the windshield will be towed at the owner’s expense.

Parking Passes are for off grounds parking lots. LOAD OUT INSTRUCTIONS are on page 20, rule #62 and page 17, rule #45A, in the Fair Catalog.

CAMPERS & ETC. – Each unit paying for an electric hook up for living quarters will be issued a pass for another vehicle to be parked on the Fairgrounds.

CARNIVAL PERSONNEL WILL BE ALLOWED TO PARK INSIDE THE Fairgrounds with a Thomas Carnival Pass on their windshield.

INDEPENDENT MIDWAY VEHICLES – Concessionaires with storage vehicles that remain on the Fairgrounds will be issued a pass that will allow the storage vehicle to remain on the Fairgrounds. (Not to go in and out regularly). $15.00 per day for electric hook-ups.
ANTIQUE TRACTOR PULLING CONTEST Sponsored by Arkansas Valley Antique Tractor Club will be held Saturday, October 3, 2009 in Hugh Hardin Arena starting around 7:30 p.m. Show is free to the public to watch.

All Tractor Pullers must be a member of EDGE&TA National tractor association for insurance reasons. All Tractors must be stock. Entry fees are $10.00 for first pull and $5.00 for second or third pull. For more information call Clyde Traylor at (479) 928-5193.

Tractor pulls will be in two divisions: Antique Division I by weight class with no add on weights; Division II pullers may add weights for more traction.
